Who We Are

K9 Partners for Patriots is a nonprofit dedicated to addressing the urgent issue of veteran suicide while giving rescue dogs a second chance at life. Through service dog training, we empower veterans to reclaim their independence and confidence while providing rescue dogs with loving homes and meaningful purpose—all at no cost to the veteran.

What We Do

Since 2014

Mental Health Support: Our in-house licensed clinical social worker (LCSW) is available for free counseling and guidance throughout the program.

Foster Program: Our foster families care for and evaluate rescue dogs, helping them transition from shelters into service dog roles.

Veteran Community: We foster a supportive community of veterans, staff, and volunteers dedicated to providing a safe, inclusive, and healing environment for all participating in our program.

One Goal *Giving Lives*

"I was ready to give up. K9 Partners for Patriots gave me purpose, a partner, and a reason to keep going."

— Dan, U.S. Army Veteran
